# TOP DOCS

Where to get your tucks, tucks and lifts across Canada—a directory of the country's top cosmetic plastic surgeons  
By Carly Baillie

### VANCOUVER

**Dr. Helen Carr, 402-2110 W. Broadway, (604) 733-6711, www.drhc.ca**  
Dr. Carr is the only surgeon in Vancouver and possibly in Canada, who offers tummy tucks through the tummy tuck breast augmentation. An Avicenna Breast Lift tummy tuck is used to position the breasts and lift the tummy tuck. Dr. Carr is "naturally female," says Dr. Carr. He also specializes in "body sculpt" procedures, or laser-assisted lipolysis, or laser-assisted lipolysis (LAL).

**Dr. John Emery, 206-777 W. Broadway, (604) 679-4949, www.facsurgery.net**

Dr. Emery's liposuction is done through computer imaging. One aspect of the liposuction is the use of the computer to track the liposuction. Dr. Emery's liposuction is done through the tummy tuck breast augmentation. Dr. Emery's liposuction is done through the tummy tuck breast augmentation. Dr. Emery's liposuction is done through the tummy tuck breast augmentation.

### EDMONTON

**Dr. Wayne Preston, 520-255 17th Ave. S.W., (403) 236-7276, www.drpreston.com**  
Dr. Preston is a board-certified plastic surgeon. He specializes in tummy tucks, breast augmentations, and liposuction. He is also a member of the Royal College of Physicians and Surgeons of Canada.

### EDMONTON

**Dr. George Brown, 1030-10th Ave. S.W., (403) 226-1212, www.facsurgery.com**  
Dr. Brown is a board-certified plastic surgeon. He specializes in tummy tucks, breast augmentations, and liposuction. He is also a member of the Royal College of Physicians and Surgeons of Canada.

## ARTICLE HIGHLIGHTS

> Dr. Trevor M. Born, The Toronto Institute of Aesthetic Plastic Surgery, 199 Avenue Rd., (416) 921-7546

Dr. Born's office is a popular stop on the Hollywood North tour for the injectable fillers Perlane and Restylane (not yet available south of the border). Dr. Born was one of the first in Canada to offer a technique called fat replacement, or micro-fat injections, during which the patient's own fat is injected into the face to sculpt cheekbones and eliminate under-eye sagging. He also specializes in breast augmentation and liposuction.
